The Presidents Trail

Patrick Yoas

Right now is beautiful Healey driving weather Bluebonnets are beginning to pop up all over and everyone should be taking advantage of it before the summer heat is upon us. Take your Healey away from the metroplex and put it on the two lane roads where it's happiest and maybe even plan a day or overnight tour by going to Texas Road Trips on Pinterest. For more fun, invite your Healey friends to join you. Be sure to take your camera along and if you've been looking for a good excuse to buy a GoPro camera this is the time to do it and we're the Newsletter that'll feature it.

I reserved a significant amount of space in the Newsletter for Conclave 2017 in Waco because it's "here", down the street and it's going to be great and If you have never been to one it's never going to get any closer for you than Waco, TX. For the guys, it's about Healey's but the wives will have plenty to do around Waco.

I've attached the Conclave spreadsheet so you can see who has volunteered for what event activity but it is not up to date. It is not our intention to put everyone who volunteers on several activities but to spread the help around so volunteers can enjoy the Conclave too. Please look over the List on pages 7 & 8 and see if there's something you might be interested in helping with. As an example, our own David Freed is in charge of the Gymkhana, but he needs approximately 5 to 7 helpers. David will tell you what needs to be done and how to do it so you won't be left without instructions and directions. I have been involved with Vince Barnell of the Gulf Coast Healey Club in securing sponsorships for the Conclave but I have also volunteered for an activity at Conclave. Maybe I can make it two?

Don't forget about adding the All British & European Car Day show to your schedule for the end of this month. This is a very good activity and you'll really enjoy seeing all the cars that show up. We will have a spot reserved for our club and we should be able to email you the location to you as soon as we find out where it is. I encourage you to get there EARLY so you'll be sure to have a spot with the club. We will provide refreshments and there will be food trucks there providing food. Don't forget your fold-up chairs & sunscreen!!

We are still needing a volunteers for club Vice-President and Secretary. If you are thinking about volunteering and want to know what the duties and responsibilities of the jobs are please contact me. Both of these positions require your membership in the North Texas Austin Healey Club AND the Austin Healey Club of America. Please contact me if you're interested.

Membership for 2017 is due *yesterday*. We have included a link to our NEW website for the 2017 Renewal Form. Membership Director, Barbie Bucy, wants everyone to use the Membership Form to update their Membership profile so we can cross check it against our Club's "database" to be sure we have correct contact information. Also, we've had wives request to be included in club emails and we'll need their email addresses too.

See ya'll on the trail...

Pat

Team Healey Texas

www.teamhealeytx.com/

The first race of the CVAR season is now in the books. It was my first time on the track at MSR-Houston (Actually down at Angleton, TX) and I found it to be challenging with lots of turns, no real elevation changes to speak of, however the track has a couple of turns where you could get yourself in trouble real quick.

Chris Kellner and "Annie"

Judy had some fun selling raffle tickets for a Very Large bottle of Snuffy's vodka which has a really cool picture on the inside of the Indy 500 start. She actually sold out the board and when the drawing was held one of my Group 4 racin' buddies won it. Judy couldn't believe it when he came by the RV later Saturday evening and gave it her. He told her she'd worked hard to sell the tickets, the proceeds from these sales go to the corner worker fund at CVAR. When "Annie" was down I worked corners for CVAR for a couple of years. These folks allow us to race. I can't say enough good things about them, they really do keep us safe as can be when we're racing. On a difficult note my intrepid racin' buddy Tom Taff was hit by a Datsun 510 not once but 3 times. Tom was in the esses when the Datsun driver thought he could pass. He lost control, spun a couple of times hitting Tom's Porsche in the front fender, the door, and then the rear fender. While the other driver was found at fault, Tom was absolved of any contribution to the event, it's a small consolation as his car is most likely down for the year. "Thunder on the Cimarron" will be held at Hallett Motor Racing Circuit the 31st of March through the 2nd of April. This track is a perennial favorite of mine. Technically difficult, with lots of elevation changes, run by the Steven's family it's always a fantastic racing weekend. AND we'll be featuring a "Pre-War" series that weekend. There will be some old MG's and a couple Indy cars too. Should be a really great event to watch.

On another note the organizers of the Strada Corsa event scheduled to be held at the Johnson Space Center this May has been rescheduled to May 4-6, 2018. Apparently some unfinished business at the space center forced a reschedule. Too bad, I was really looking forward to that event. I'll just have to wait another year. Oh well, the Devin-Healey will be ready for that one. We will be back at Motor Sport Ranch in Cresson, TX. Conclave is coming up and it's looking like it's coming together well. There will be a lot of racing talk with several significant Healey Works cars and a couple of the drivers. Be sure to put this one on your calendar.

Well, Hallett is fast approaching and I've got to get Annie ready....where did I put that spark plug wrench?

Chris

NTAHC Membership

Hello Everyone, It's a beautiful spring day! I found out on a recent road trip that you don't have to go all the way to the "Hill Country" to see the Bluebonnets, Indian Paintbrushes, wine cups and buttercups and lots of golden rod! Just going out the back streets of where you live you will see what I'm talking about and it's a beautiful drive to Waco right now, good time to take a practice drive to Conclave 2017. Have you ever stopped in West, exit #353 at the store "Slovacek's West". It's got to be a must for the ladies and the guys too!

Our Membership Hasn't grown that much since last year but when you do go to an outing and see a new face or some face you have not seen in years say "Hello" and who knows you might already know them!

Coming up on April 8th Saturday Morning is a good start for that friendly Hello and smile! Tech Session carries on regardless of weather conditions Dick is tough if he can do it everyone can do it! So come on out bring your car. There is parking in back for it and enjoy! PS Bret always has plenty of donuts and the coffee is good too! These guys have been doing this since day one and they are a wealth of information and love seeing and meeting all our members.

Being involved as membership has given me the opportunity to have an excuse to meet more of you! I'm getting better on facial recognition, I have your names down but now I need to see more faces to go with those names so put one of the clubs events on your calendar as an outing with the other half! It's a good excuse for "US Time" at least that's what I tell Don who always agrees with me no matter what he's all about "Yes, Dear!" I love that man and his car too!

Howdy from Conclaveland!

The date for Conclave 2017 is heading toward us like a run away train. I/we need all of you to provide the quality event we've been envisioning. Without your talent, I'd/we'd be scared. But you are all pros honed by many years of Texas Healey Roundups. We need your volunteer expertise. There are all kinds of events that need you. Make a selection and call the event chair to volunteer. Please see attached List on the pages 7 & 8! If you want to enter the Arts and Crafts competition and don't have an entry, it's time to get started.

We are excited about our unique venue and the fact that we will be hosting Conclave in a more relaxed setting than usual. We are in a locale that has world class museums and other attractions in close proximity. We have sports, culture, beer, food trucks, a lake and restaurants right across the street. We will each design Conclave every afternoon.

Professional photography appointments are available. If the magnificent cattle drive sculpture isn't what you want for a background, maybe a shot at the vintage gas station downtown will work.

How often do you get invited to attend a cocktail party on a historically significant suspension bridge? If you have any great Conclave ideas, let us know. We have terrific things planned. It is exhausting, but exciting work. If only we could add a few hours to every day between now and July.

Regalia has some new things. Girl power is motivating us to do some new items. We'll have a resale shop for past regalia items and a tech session on turning t-shirts to quilts in addition to the meatier technical stuff.

If you are not avidly reading the information in each

Healey Marque regarding Conclave, you might be out of touch. We've added a tour to Austin's world renowned Circuit of the Americas Formula 1 track on Friday.

Our focus on Sebring Sprites is exiting. Special guest Clive Baker drove these very cars a while ago. We also invited Janet Guthrie (who raced the same cars) to attend as well, but her schedule did not permit her to accept.

Some of us are going to Waco around the same dates that were scheduled for Roundup. Let your President know if you plan to do the same.

It's 1:36 am and my eyelids are unable to deny gravity's pull much longer.

We need more registrations. Call your Healey friends and ask them come visit you in Texas. I've got a list of over 100 Healey friends I plan to issue a personal invitation to. That's kinda tricky because my first call lasted over an hour.

Sponsorships are a critical need, as are auction items.

Vince Barnell commissioned a video. Please watch it. Healey Conclave 2017 in Waco, Texas. A portion of the event/regalia proceeds will be donated to a cancer related cause.

Hey guys, let's show off our state in style. I had no idea, that the Waco that lives beyond IH35 is so special. Come see for yourself.

The event chair list is attached. Lots of you are working very hard and I/we really appreciate it.

All British & European Car Day

Sunday, April 30th

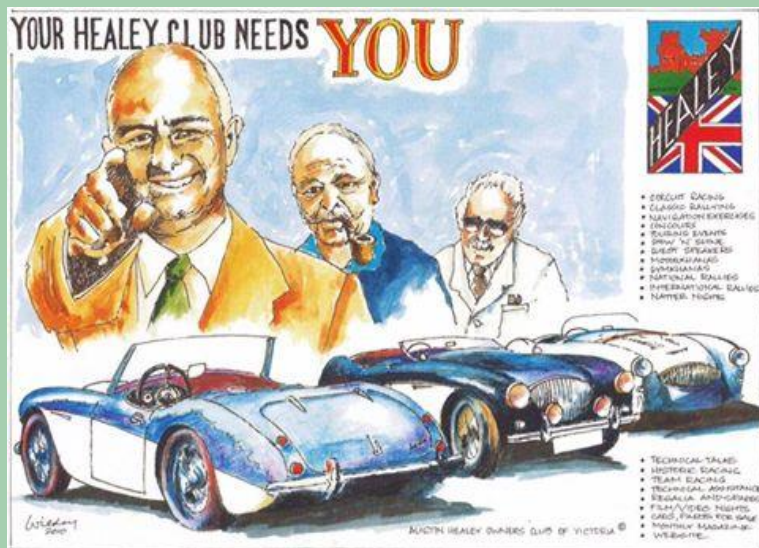

WE NEED YOU AND YOUR CARS TO COME OUT!

This is a nice car show that has some of the best looking British & European cars around North Texas. NTAHC will be there and for those of you who want shade we have a large tent with lots of shade Just bring your favorite lawn chair and join us. For those who are bringing their car, first dust the cob webs off and if you want to win popularity give the car a spit shine! Your GPS will take you right to the park area where the car show happens. Check out www.allbritishcarday.com website for all the info. Please give Pat Yoas a call at (469)401-3801 and let him know you are coming, so he knows to save you a spot!

NO Shoes Needed, this year's focus is on the High School and VO-Tech Students and emphasis on drawing them into the world of restoration of the British and European Cars that we so love and cherish more than our own every day driver! Hagerty Insurance is hosting a judging clinic and then those young folks are going to judge some cars, maybe yours, then announce their winners.

This is one of those "US TIME" events to put on the "TO DO LIST", no exceptions! Our club used to have a large participation, let's see how many Healey's come out! Remember, this is a great way to relax, enjoy the scenery (lake, people watching, and Cars!). Picnics are welcome as well and there will be food vendors there.

SUNDAY, APRIL 30th BE THERE WITH YOUR CAR AND LAWN CHAIR!

From the Treasure Box

There are a few loose things that need to be touched on!

If you had your checkbook out to send in your Texas Healey Roundup Registration, **YOU'RE TOO LATE...** the Event Was **CANCELED DUE TO LACK OF REGISTRATIONS** by the cutoff date. Please keep in mind that when you see and want to participate in an event sign up then don't wait til last minute! These events take a year or longer to make them happen and they all depend on registrations! No words can express how the committee felt on having to make this decision it's a shame that a **LONG TIME TEXAS TRADITION** in the Healey World had to be **CANCELED** this year.

Going to **CONCLAVE 2017** in Waco, Texas you need to get your checkbook out and send in your Registration Form **TODAY!**

Our member Ed Reiss, Treasurer of Conclave 2017 is the person you need to send your registration off to. Go to the AHCA website and then go to Conclave 2017 print your form and get it to him! **WHY?** Same reason as the first paragraph! Need help with Registration Form call Ed or myself and we will be happy to get you moving on it!

2ND NOTICES will be going out as reminders to renew your 2017 AHCA/NTAHC Membership, Please don't let that sit on your pile get it back to us **NOW!**

If you feel you have already taken care of this yearly matter or need to double check that I received your payment please give me a call and I will be happy to help you!
