PRESIDENTS COLUMN

So long 2017 and welcome 2018!

Really guys, if you haven't done a lot with your Healey last year make it part of your 2018 Resolutions. If it's not running contact the Club and we'll see if we can help you get it out of the garage and on the road.

Looking for a Healey event to go to this year?

We will be at the **"All British and European Car Day"** at White Rock Lake in Dallas so be sure to put that one on your calendar. The name was changed last year from ABCDE Car Show to "All British and European Car Day". We'll be sending detailed info as soon as we know.

Texas Healey Roundup is in Nacogdoches, Texas, (East Texas), this year and the roads in the area are really great Healey driving roads. Roundup is being hosted this year by the Gulf Coast Healey Club and is sure to be a hit and a 2018 event you won't want to miss. Be sure to read more about Roundup in the Activities section. We will be sending out an email blast with details about Roundup in the near future!

Just so happens 2018 is also the 60th anniversary of the Sprite! Please see the Activities section of the Newsletter for more details, **"60 Years of Spridgets"** for more details. Go to their website for more details. This looks like its going to be a great National event.

See you on the trail.

CHRISTMAS PARTY

It was on Saturday, Dec 9th this year that NTAHC had their annual Christmas Party to wrap up 2017. The trip to and from the location was not part of a Healey Rally, but could have been! Our Host/Hostess Ed and Lisa Canada welcomed all of us to their Car Barn with a cool selection of cars to say the least. It's taken Ed and Lisa many years of collecting here and there to create such an interesting way of enjoying everything. I was surprised how nice the antique collections looked right at home with the cars!

Noticed the school room setup in one corner, along with tent pitched in the diner, that's for the grandkids when they visit! For those of you who noticed the collection of chemistry

books, yes Ed is a Chemist! For those of you who ventured up and up you got to see the car area below thru the all glass window sitting at a bar counter with your beverage in hand, it's a great full bar! Then venture up the spiral staircase for those whose knees can do it, you were treated to a 360 view of Lake Lewisville. The diner was also a neat blast from all of our past! I don't think there was or is any detail left out on the layout of this car barn, Ed and Lisa put everything into what they wanted out of their place.

Once again, everyone did a good job of stuffing everyone else with all their delicious food they brought. Our Barbeque this year came all the way from Stanley's in Tyler which is well known for it's great Barbeque. The Smoked Ham was Honey Baked Ham. Who made the Chocolate Pie? Please email me the recipe!!

The Hats and Canvas Bags along with the hat clips were door prizes donated by Karen Gilleland - Shield Awards. Unfortunately she was not able to attend at the last minute and wanted me to express to everyone, "a Merry Christmas and a Happy New Year! The Wine bags and other Christmas bags were given by NTAHC.

Again, "Many thanks Ed and Lisa for a great Party! NTAHC really appreciated what ya'll did for us this year.

PS. Who would like to Host the 2018 Christmas Party? ANYONE !!!

Cheers,
Barbie Bucy

A couple of photos of Ed & Lisa's place showing some of the great décor. The top photo is an unexpected "reflection" photo I got of the Bar area on the second floor. I liked it so I hope you do to.

TEXAS HEALEY ROUNDUP 2018
April 6-8, 2018, Nacogdoches, Texas

This year the Gulf Coast Healey Club is the host club for Texas Healey Roundup 2018. Anne and I have volunteered to be the Roundup coordinators and planning has begun starting with securing the host city and host hotel. In our GCHC breakfast meeting on October 14, 2017, we made a presentation to the club and received approval to proceed with planning, so we are moving ahead and wanted to send this message to the club members to alert everyone as soon as possible to **Hold-the-Date!**

More detail will be coming soon but here are the immediate particulars. Roundup 2018 will be held in Nacogdoches on the first weekend of April 6-8, 2018 at the newly renovated downtown Fredonia Hotel.

We have held successful Roundups in Nacogdoches in the past in 1997 and 2003. Last month, Anne and I held a meeting in Nacogdoches with the Fredonia Hotel sales director and settled on a favorable weekend for next year and came away with a draft contract. We also met with the director of the Nacogdoches Convention and Visitors Bureau to make arrangements to hold Popularity around the courthouse square which is within walking distance from the hotel.

Stay tuned, we will send more details soon to all three Texas Healey clubs.

FOR SALE ENGINE PARTS

New in box set of full race JE Pistons that I do not need. They are 84.5mm (3.327 Inches), the maximum allowable to remain under 3 liters.

Paid to have them custom made, with new pins (including spiro locks), thin rings, tuff coat on skirt and thermal barrier coating on the crown. The crown undercut. Paid almost \$1200 delivered. Will sell at discount and take small loss. Have pictures and invoice for serious inquiry.

Liege cam with bucket followers that is extra to my use (bucket followers require longer push rods). Will sell for fair offer. Best cam factory ever developed. Grind was used in Liege-Rome-Liege rally 1961, then, so good, used at Sebring 1965.
