# ALL BRITISH AND EUROPEAN CAR DAY

What a beautiful lake kind of day Sunday, May 5th turned out to be! After all the weather that had been happening the 35th Annual All British & European Car Day had a great turn out. The fear of a rainout was not happening and the cars came out in droves. The cars were not on the grass areas but on the roadways, which I like better, easier for stepping around the cars and looking at them. Only if they had some golf carts for the seniors who needed the lift to and from the car show from the parking area that would be even better. North Texas AHC provided coffee and donuts that got the morning under way for members who came out.

A great looking display of big Healeys with most of the models represented

This year's car show was a good one, those that brought their cars didn't disappoint the crowds that oohed and awed over them. Even the people who strolled by were in wonderful British attire. The best dressed girl (the guys could agree on this!) wore her British flag sequenced dress that was perfectly suited for the car show! There was even a lone bagpiper in full regimen strolling through the crowds playing the traditional British pipe songs. It was a nice touch to such a show as this has become. The Boy Scout troop was strolling as well with their wagon of water, making sure everyone had a wet whistle.

The tent was setup so those who didn't prefer the sunshine that was brilliantly shining could hide from it. This was also the best people watching spot without strolling around the show. The amphibious car was swimming back and forth along the shoreline, couldn't tell you how many passes the car made by the show but it was like it too was participating in the car show, only that the car was on water!

A welcomed retreat from the show with food and beverages.

Bob Gilleland's sister, Cindy Starnes, try's our Bob's 100-M.  
I think she likes it!

# ALL BRITISH AND EUROPEAN CAR DAY

NTAHC Members, Jack Pilversack & John Wilson enjoying the show.

We had new club members Colin and Susan Cahoon join us. Pat Yoas's son Greg came out to visit and helped his dad with the show. Bob Gilleland's sister Cindy Starnes came out to see her brother, but Bob wasn't able to attend the show, his back wouldn't let him. It was good to see Perry Lundin out and about again! The biggest surprise of all was seeing past club member Frazier Monroe. He said to say a big "Hello" to everyone and also mentioned he's selling some parts and car if anyone is interested to contact him. He said just to email him, it's the same email he's always had. Tom Taff and Don Koos strolled by as well as Jim Hockert and his friends that were with him. John Wilson said the "Keels and Wheels" event down in Houston area was a definite rainout event. Ed and Lisa Canada also came by and stayed awhile.

Then there was the English horse woman who showed up on her horse to check on her green Jaguar that she had in the show. The jaguars were across from our area. The horse had left beside the jag some fossil fuel to make the car go, once the show was over! Yep that's what the secret to getting a jaguar moving is!

NTAHC Members, David Freed with Floyd O'Rear enjoying the show.

This car made several passes by the show. If it floats, show it off!

# ALL BRITISH AND EUROPEAN CAR DAY

Bret Blades knows so many people, everywhere. He was our clubs social butterfly! A big thank you to Pat Yoas and the helpers who got everything setup for the show, Greg Milner and Don Bucy, Jack Pilversack and a few others. I prepared a lite lunch for those who didn't or couldn't do the food truck menu. As well as lots of cold water and iced tea that was a welcome relief from the steamy heat of the day.

Of course, who won this year in the Austin Healey Class. The cars all looked gorgeous with the lake as a back drop on a beautiful car show kinda day!

The Austin-Healey Awards winners are :  
\*All from North Texas Austin-Healey Club!  
First Place: Bob Gilleland - 1956 100M  
Second Place: Pat Yoas 1967 3000,  
Third Place: Jack Pilversack 1967 3000.

Attendees with cars:  
Bret Blades, Pat Yoas, Don Bucy (for Bob Gilleland),  
Jack Pilversack, Charlie Esterlein, John Wilson, Floyd O'Rear, David Freed

See you again next year!

Barbie Bucy

Time for visiting and talking "Healey's"

A small sampling of a great food spread.

The "Blades" Austin-Healey. LuAnn, gets checked out by a couple of curious car enthusiasts.

Entryways to our clubs display were enhanced by the Austin-Healey storyboards!

# ROUNDUP 2020 - Granbury, Texas

## Hello RoundUp Fans

This year marks the 40<sup>th</sup> Anniversary of Texas' premiere event "Texas Healey RoundUp", this year's location will be in the historic lakeside community of **Granbury April 17-19, 2020!** For those interested you can come in on Thursday and leave Monday...

The first RoundUp occurred when I was 16! Mom and Dad, aka Bob & Stella Gilleland, were part of the original organizational committee for the event held in Kerrville, and it was a "joint" effort between all three Texas' Austin-Healey Clubs. After the first RoundUp, the attendees decided to make it an annual event that passes between the Gulf Coast Healey Club, South Texas AHC and North Texas AHC alternately giving each club the opportunity to host in a Texas town of their choosing. This year North Texas has the great honor to host the **"40<sup>th</sup> Anniversary Celebration"** in Granbury.

NOTE: \* Registration forms will be available next month, but you can always call the **Best Western at (817)573-4239** to reserve your room for the "Texas Healey RoundUp" now to hold our spot! Room rate \$108.00 plus taxes.

We are kicking off the event on Friday night at the best Western with a **"Fajita Fiesta"**, which will be free for all to attend. This will give everyone time to relax and catch up with "Old and New" friends.

Saturday will be a busy day, starting early in the town square at the steps of the Hood County Courthouse with the **Carshow**. We have also secured the beautifully restored **"Celebration Hall"** on the square for attendees to enjoy fellowship and of course coffee and donuts during the Carshow.

Saturday afternoon will be the scenic **Rally** through the surrounding countryside of North Texas, it is not to be missed! After the Rally feel free to stop by for **"Afternoon Tea"** hosted by Stella and The North Texas ladies. It's a great pick me for the afternoon dull drums.

Saturday night we will return to **"Celebration Hall"** for the **Carshow Awards** and a catered **dinner and special private show** following in the restored 1886 Opera House, now Granbury Live Theatre adjoining Celebration Hall.

Sunday starts early again with the fast and furious **"Gymkhana"** at the nearby school district complex. Our weekend concludes at Celebration Hall with **Sunday Brunch. The Rally and Gymkhana Awards** will be presented during this time.

For those who want to relax an extra day ask for a Monday checkout. We hope everyone can make the journey to Granbury and join in on the Celebration of this Texas Tradition!!

*There will be some unique items up for auction too.* The first is a custom tri logo blanket with the "Healey wings" embroidered. There will also be a handsome men's bomber jacket with the embroidered "Healey wings" across the back. The number of raffle tickets sold will be limited for both items. Tickets will be \$10 each. The winners will be announced during Sunday brunch.

Continued on next page...

# ROUNDUP 2020 - Granbury, Texas (cont)

As a special incentive the *first 15 registrants to the 40th Texas Healey RoundUp will receive a limited edition locally bottled wine with a customized 40<sup>th</sup> Anniversary label*, donated by my company Shield Awards & Promotions.

Finally, as with any event it is only as good as the people who are involved. If you haven't done so, please volunteer with planning or to help the weekend of the event....either way please **reserve your room now** and we all look forward to seeing in Granbury next April.

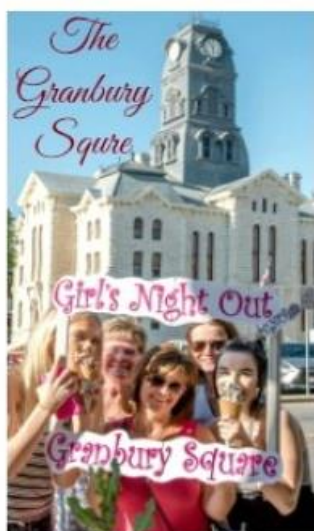

Adios,

Karen Gilleland  
RoundUp 40 Chairperson  
NTAHC

April 17th—19th, 2020

Forty years gone by and still going strong...  
Texas Healey RoundUp.

# MEMBERSHIP COLUMN

**Hello Everyone,**

It's hot outside, the weather person said it's a below normal temperature day! Ok, whatever. Anyways hope this note finds everyone staying cool doing inside stuff. Have you heard that Sayin "it was only suppose to be a simple fix but turns out to be a big project." Well, it's that Kind of a day for some of us!

Congratulations are in order to some of our members as they have reached the Austin Healey Club of America (AHCA) Longevity Milestone for 2018. First, 40 years: Jim & Edith Barton, 30 years: Pat & Janet Yoas and 25 years: Nooney Clarke. These members Have also been valued North Texas AHC members as well.

Membership for 2019 is still strong! North Texas Austin Healey Club membership count is at 71. We have a good fair amount of members who get out and join us at NTAHC club events. I know it's hard to do everything and schedules don't always agree with events but if you only make it to one event, that's great! North Texas AHC would love for everyone to come out at least once for 2019!

**MUST PUT ON YOUR CALENDAR "40th Anniversary Texas Healey Roundup" April 16th - 19th, 2020 in Granbury, Texas. GOT IT! Why? Because North Texas AHC (that's our Club!) is the host club for this time honored annual event that NTAHC does with the South Texas Austin Healey Club (STAHC) and Gulf Coast Healey Club (GCHC).**

Who would have ever thought that 40 years ago this upcoming springtime event was going to reach it's 40th time! That being said this event is **NEEDING HELP** from membership in any way that you can to help make the 40th Anniversary a memorable one! The plans are all pretty much figured out we just need **YOUR HELP!**

NTAHC has a great summertime social coming up Saturday, August 3rd @ 1:00 pm (check the calendar page for details) it's another annual that we do "The Londoner Summer 2019". It's good food and drinks along with a nice bunch of people. This gives you the opportunity to discuss all the world events that have been going on. Also this is a indoor casual come as you are afternoon event so your home before the evening news! You are also more than welcome to drive your Healey to the event, some brave souls do just that!

If you are getting this email newsletter but not the Austin Healey Club of America (AHCA) "Healey Marque" magazine then give me a call or email and let me know, I can help you with that right now!

If you have forgotten to renew or would like to join AHCA this is the clubs magazine full of the world of Austin-Healey's! AHCA is offering a reduced rate to join til end of year for \$35.00. Your 1st issue of magazine will be August issue. Please let me know who you are!

Cheers,

Barbie Bucy

## Presidents Column

The **ABCDE, All British and European Day Car Show** was a great event for our club. We had 8 Big Healeys show up and were lined up on display against a beautiful view of White Rock Lake. The weather was great this year for the show and I have to admit our club had the best looking display of all the clubs. I may be a little biased about that but we had compliments from public visitors as well as other clubs participants. We put forth the effort to continually upgrade and improve our clubs display over the years and it shows. Our Tent was a comfort to those who needed a break and food and beverages were furnished as well as seating. Barbie Bucy did a great job taking care of the food and beverages. Please visit the ABCDE website for more information and check out Paul Valentines and Gary Sandusky's websites for many great photos taken at the show.

<http://allbritishcarday.com/abcd-2019-winners.htm>

<http://www.imagemaker.cc/>

<http://tinyurl.com/Valentine-Photography>

### It's time to roundup all the Healeys!

RoundUp 40 is fast approaching and it's our turn to Host it. Karen Gilleland has again stepped up to the plate to be the Chairperson and she's going to need volunteers to help with activities, planning, etc. Please email Karen if you would like to volunteer your services! We're finally going back to Granbury because it's a great place to have the RoundUp and it's been way too long since we were there. It's a short trip from Dallas/Ft Worth so there's no excuse to not be there. Please make your Hotel reservations as soon as you can.

### Is your Healey's sitting in the garage?

It's HOT and that's a good excuse but it will soon be cooler so if it needs some work now is the time to get it done. Be sure to come by our monthly Tech Sessions for help on getting it running great again. The second Saturday of every month unless we have to cancel. Coffee and Donuts always provided.

Christ Kellner of Team Healey Texas fame, is back again with a progress report on his restoration of his race car the Devin Healey. He and Judy went to the BMW Competition driving school but first stopping off at the South Eastern Classic in Little Switzerland, SC on the way there. Will Bret & Susan Blades & LuAnn ever dry out? A very enjoyable read.

See you on the Healey Trails,  
Pat

Not quite a Food Truck, but never the less the refreshments were "spot on".

This year was special, we had Don Shannon playing his Bagpipes the show. What a treat!

<http://www.donshannon.us/>

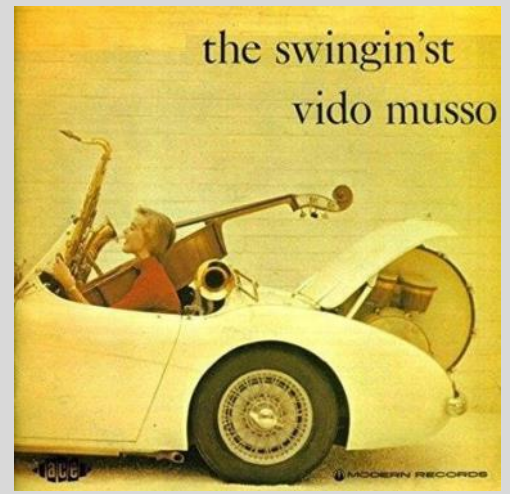

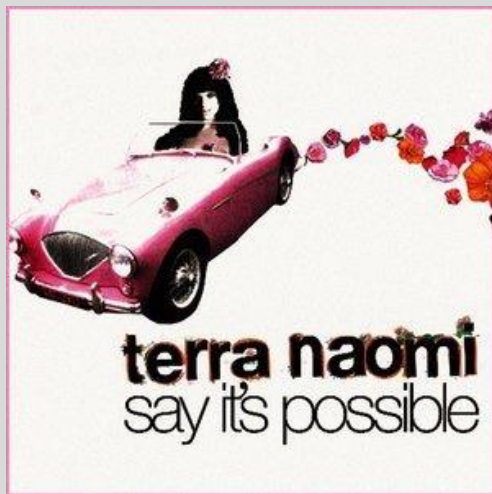

It was a really great day to have a car show at White Rock Lake. Water, boats, cars and perfect weather.

# MUSIC COVERS FROM THE PAST.

Does anyone have any of these albums in their collection?

## MUSSINGS FROM THE PADDOCK

Chris Kellner

Racing has been off the calendar since the May event in Houston, CVAR always takes a break for the heat of the summer, and will be restarting with the Race Against Kids Cancer in Conjunction with the Morgan Adams Foundation at Texas Motor Speedway September 20<sup>th</sup> through 22<sup>nd</sup>. Judy is planning a lunch at our RV location for Saturday for NTAHC folks that want to come out and visit and see some vintage racing. This year we'll be having some Ferraris doing hot laps at lunch time both Saturday and Sunday as well as "Ride Arounds" in our Group 1 race cars, these would include Mustangs, Camaros, and Corvettes. As well as some other vintage cars like Jaguars and Porsches. These ride arounds will have a fee with all proceeds going to the Morgan Adams Foundation. If you haven't done a lap on the TMS oval I can assure you it's well worth the contribution.

This year Judy and I decided to travel with Bret and Susan Blades to the Southeast Classic. This year's gathering was held in Little Switzerland, North Carolina, June 7<sup>th</sup> through the 9th. Not only was the trip to the event interesting so was the event itself. First off Bret drove Lu Ann, his recently completed BJ8, complete with AC and everything. We met up just outside of Jackson, MS with the plan to drive the Natchez Trace up to Chattanooga then drop into Little Switzerland. As is often said "the best laid plans of mice and men" the torrential rains began at maybe 70 miles onto the trace. We couldn't see Bret and Susan 100 feet in front of us. Then to add to the difficulty the brake light switch in Lu Ann failed. At one point the rains were so heavy we had to pull off the parkway and wait, I believe it was for almost 30 minutes. While Judy and I were safe and dry Bret and Susan didn't fair quite as well. We all know how well the Healeys top keeps water out of the car, right? Oh my those guys were soaked. Once the rain let up a bit we were able to drive on. Judy's car acted as the brake lights for the Healey and we managed to arrive at Little Switzerland.

Hoping that the rain would let up was fruitless. During the next 4 days rainfall was at over 16". Undaunted; the meet was a blast. I got to talk to many AHCA folks I hadn't seen in years and even had dinner with Chuck and Edie Anderson which was a delight. Stuart and Mary Shepherd (former NTAHC members) were there too. It was a wonderful event. Did I tell you about the Margarita contest? Judy was hanging out with Hilary's and Kate's group and there were some really great tasting Margaritas at the Margarita's contest but was edged out by the "Team Carolinas". I'm not sure how all of this worked, I think Judy sold her votes for some party favors including a funny looking blow up monkey. It was a blast. Sunday started with more rain as Bret and Susan started for home. Judy and I left on Monday heading for the BMW factory in Greer/ Spartanburg, SC by way of the "Tail of the Dragon" and some other very fine driving roads as I had a date with the BMW M Competition driving school. We drove M2 Competition's, M4's, and the M5 Competition's too. It was a fantastic event and the our instructors were just the best. My instructor was Jimmy "Woodstock" Clark. He drove at LeMans several times and really knew how to teach you driving skills. Slaloms, the Skid Pad, and the full out driving on their race course, including a copy of the famous "Cork Screw" from Laguna Seca. You drive the M5 by yourself, with the instructor on the radio in the door pocket, as he helps you with the various aspects of cornering, braking, and so on. And, Jimmy was at Woodstock too. His stories at lunch were hilarious, had us all in stitches.

Then of course Tom Taff, Bret Blades, and I are working on Tom's Bobsy, and my Devin-Healey. Lots of progress on both cars. I've attached a couple of photos of the Devin as we progress. As I close I'd like to ask all of our NTAHC family for prayers for long time members Don and Cynthia Koos. Don had been struggling with a form of lung cancer which has caused him to suffer two operations thus far. This seems very strange, to me anyway, as he never smoked a day in his life. And Cynthia's cancer has returned as well. Please keep them in your prayers.

I've got to get back to the shop....where did I put that spark plug wrench??

Chris

## Breaking News!!!

# **New Conclave Dates are Sept. 6-11; Hotels Offering Same Rates B4 Conclave**

**To secure room nights before Conclave 2019 it now will begin Friday, Sept. 6 and end Wednesday morning, Sept. 11.**

The Minnesota Austin-Healey Club is excited and looking forward to hosting Conclave!

Conclave 2019 will begin one day sooner for two reasons:

- Misunderstanding between organizers and hotels;
- Early enthusiasm for Conclave 2019 has been tremendous so **all available rooms set aside after Conclave already have been booked!**

To meet anticipated demand for additional hotel room dates, the Minnesota Club has negotiated Conclave 2019 discounted rates that begin the night of September 4 and are effective through the night of September 10. As a result of those negotiations:

- Anyone who already has booked reservations after those dates and wants to keep them will have those reservations honored by the hotels; and you may add earlier nights – September 4, 5 or 6 – at the same daily rate.
- OR, if you already have hotel reservations for September 7-11 you may change your reservation block to September 6-10; and add September 4 and 5 to your stay at the same room rate.
- **YOU MUST REGISTER FIRST for Conclave 2019** to get the password and your individual five-digit code necessary to reserve rooms at the hotels.

**Because of reservation system limitations, the Holiday Inn Express cannot take reservations until October 2, 2018. The other two hotels are taking reservations now.**

We apologize for any inconvenience this may cause

**We look forward to seeing you in Deadwood!**

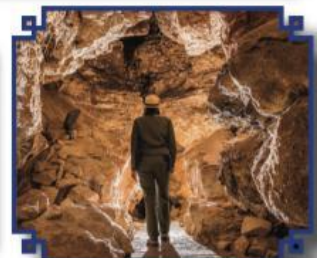

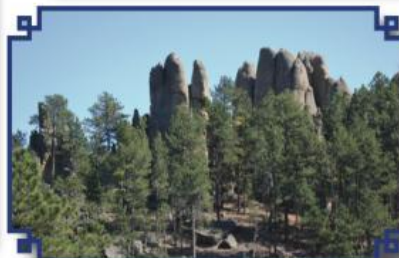

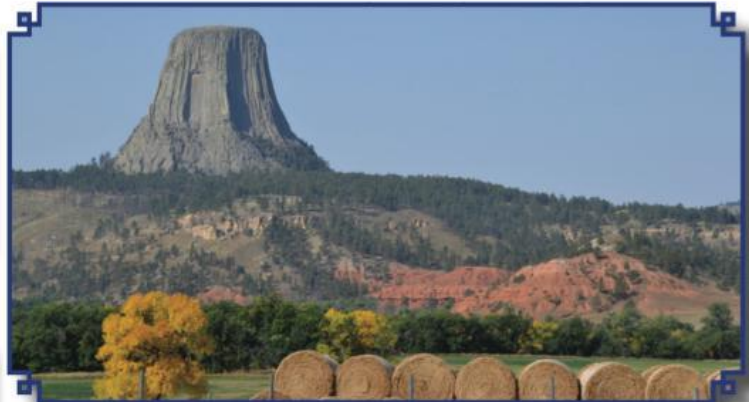

# CONCLAVE 2019

**DATE CHANGE -- September 6-11**

**OH, WHAT WONDERS YOU WILL SEE  
ON ROADS AROUND DEADWOOD SD**

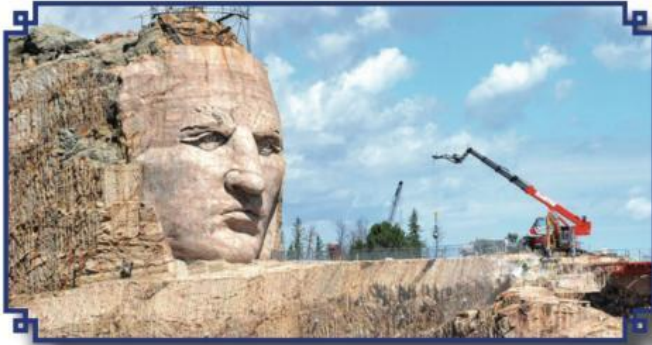

From Top Left: Crazy Horse Monument . Mount Rushmore National Monument  
Devils Tower National Monument . Wind Cave National Park  
Custer State Park Needles Highway & Curious Burros . Badlands National Park

**Register for Black Hills Conclave 2019**

[www.mnhealey.com/conclave2019](http://www.mnhealey.com/conclave2019)

# CONCLAVE 2019

**CRAZY HORSE MONUMENT** is funded by admission fees and donations. Government funding has been rejected by tribal leaders since Korczak Ziolkowski and his family began sculpting it in 1948. When completed, Mount Rushmore would fit under the armpit of the Lakota chief. The goal of Sioux tribal leaders is to create a lasting monument that helps protect and preserve the culture, tradition and living heritage of North American Indians. Crazy Horse was selected because he famously remarked of the Black Hills area, "My lands are where my dead lie buried." In the future the memorial will fund a college that prepares young Native Americans for careers that benefit their tribes' cultures, education and well-being. The memorial is 20 minutes south of Mount Rushmore off US 385 north of Custer, SD.

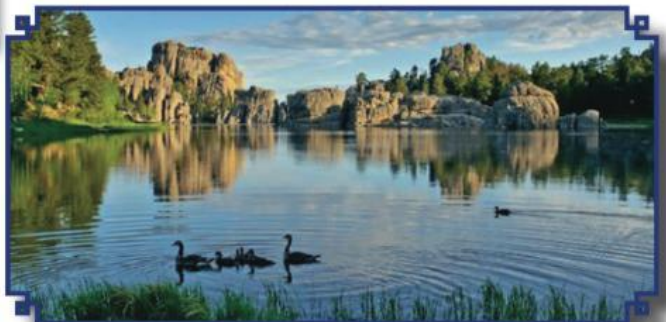

**MOUNT RUSHMORE MEMORIAL** was created by Congress in 1925, with sculpting by Gutzon Borglum and his team between 1927 and 1941. It is about 45 minutes south of Deadwood via US 385 and South Dakota 244.

## **BADLANDS NATIONAL PARK**

protects 244,000 acres of sharply eroded buttes, pinnacles and spires blended with the largest undisturbed mixed grass prairie in the nation. Its striking geologic deposits contain one of the world's richest fossil beds. Ancient mammals such as rhinos, horses, and saber-toothed cats once roamed here. The park's expanse of mixed-grass prairie is home to bison, bighorn sheep, prairie dogs and black-footed ferrets today. It is 100 miles southeast of Deadwood off I-90.

**CUSTER STATE PARK** surrounding Mount Rushmore and Crazy Horse memorials is home to nearly 1,300 bison roaming its prairies and hills, which they share with pronghorn, big horn sheep, elk and curious burros. It also includes Needles Highway, Iron Mountain Road, Wildlife Loop Road and Mount Coolidge Lookout that collectively are part of the Peter Norbeck Scenic Byway, which has been named as one of Ten Most Outstanding Byways in America. It also boasts Sylvan Lake and four others. Custer State Game Lodge, Blue Bell Lodge and Sylvan Lake Lodge offer rustic and scenic luncheon and dinner venues.

# CONCLAVE 2019

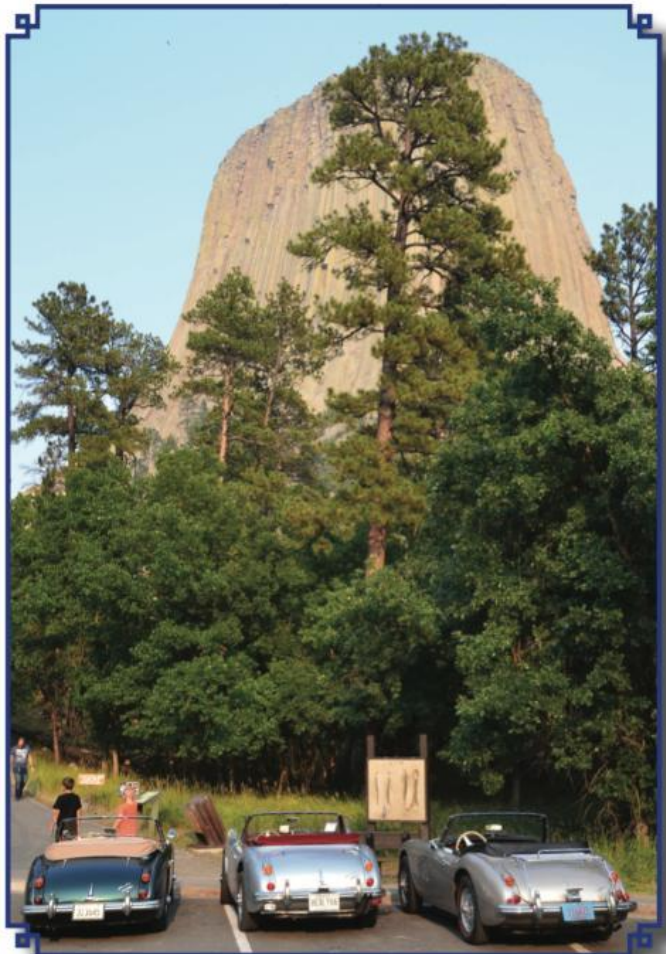

1 of 1

**WIND CAVE NATIONAL PARK** is named for the wind that blows from the cave's natural entrance, and also contains one of the last untouched expanses of American prairie. The cave has more than 140 miles of labyrinth-like tunnels, and contains the most boxwork (honeycomb-shaped) calcite formations of any known cave. It currently is ranked as the fifth-

largest cave in the world. When it was established in 1903 by President Theodore Roosevelt, the area became the first national park in the world protecting a cave. The park is 11 miles north of Hot Springs, SD, off US 385.

**MAMMOTH SITE OF HOT SPRINGS** is the largest discovery of Columbian mammoths in North America. It is enclosed and protected by a climate-controlled building where the sinkhole and bones are displayed as they were found. Walkways allow visitors close-up views of the fossils. So far 61 - three woolly mammoths and 58 Colombian mammoths - have been identified, along with remains of a giant short-faced bear, camel, llama, prairie dog, wolf, fish and numerous other plant and invertebrate fossils. The site is south of Custer State Park and Wind Cave National Park off US 385/18.

**DEVILS TOWER** was declared the first U.S. national monument in 1906 by President Theodore Roosevelt. It includes 1,347 acres in northeast Wyoming, a scenic 90-minute drive from Deadwood along Spearfish Canyon Scenic Byway, through Belle Fourche, SD, and Aladdin, WY. The Devils Tower volcanic uplift rises dramatically 867 feet from base to summit. It was named in 1875 when an Army expedition's interpreter reportedly misunderstood a native name to mean "Bad God's Tower". Native Americans actually called it the "Bear's House" or "Bear's Lodge". See all of these wonderful sites and more for yourself.

## FOR SALE ENGINE PARTS

New in box set of full race JE Pistons that I do not need. They are 84.5mm (3.327 Inches), the maximum allowable to remain under 3 liters.

Paid to have them custom made, with new pins (including spiro locks), thin rings, tuff coat on skirt and thermal barrier coating on the crown. The crown undercut. Paid almost \$1200 delivered. Will sell at discount and take small loss. Have pictures and invoice for serious inquiry.

Liege cam with bucket followers that is extra to my use (bucket followers require longer push rods). Will sell for fair offer. Best cam factory ever developed. Grind was used in Liege-Rome-Liege rally 1961, then, so good, used at Sebring 1965.
