

Healey’s at the Barton House in Salado, Texas before RoundUp 39 officially started.

There’s always a good time to go to Salado, Texas and stopping at the Barton House for a great meal and conversation. Three Roundup enthusiasts decided to do a backroads driving tour and go to Salado for lunch. The driving weather was “Healey perfect” with beautiful scenery, fast roads and very little traffic. Leading the way was Mike and Anne Johnson followed by Bob and Kris O’Neil with Pat and Janet Yoas bringing up the rear. More and more Round-Up folks are arriving on the day before RoundUp starts to take advantage of the extra day to go out on their own for a relaxing get-together drive to nearby points of interest.

Presidents Column

You can pick a great place for a Healey event but you can't pick the weather you want but that didn't stop anyone who attended from having a great time. If you were one of the folks who arrived the day before you could have had nice weather for some sightseeing, dining and touring around plus Friday was also another great day too.

The Texas Healey Clubs have had a few RoundUps in Salado. A few of us did just that! We started with a beautiful drive to Salado followed by a great lunch at the Barton House with good friends. As far as our group was concerned this was the best way to kickoff RoundUp 39, the right way!

Even though it wasn't our RoundUp this year, the North Texas Austin Healey Club donated two "Car Cleaning" buckets filled with all the goodies needed to make and keep your Healey looking great for the Cornish Auction. We hope that this is a continued tradition for all the Texas Healey clubs in the future.

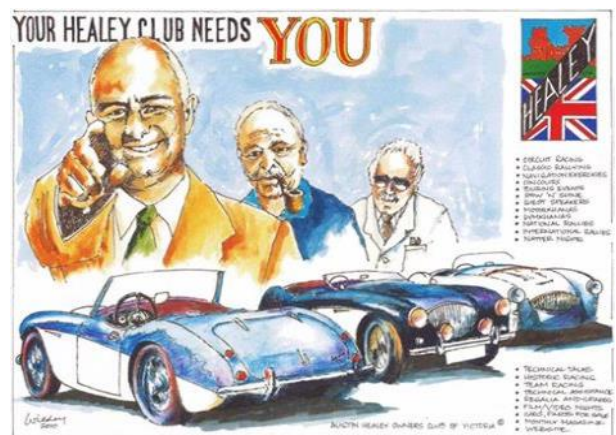

Two very Popular Items for the Cornish Auction provided by the North Texas Austin Healey Club

RoundUp 39 turned out to be a great time in spite of the rain and to the South Texas Austin Healey Club....**job well done!**

Noticeably absent at the RoundUp was Dick & Sue Solomon. Sue broke her hip and that required a hospital stay plus recovery. We hope she's on the mend and will be able to make next years RoundUp! The Solomons have made 38 RoundUps!

Please mark your calendars for RoundUp 40 next year! April 16th—19th, 2020. That's right, it's four days and we're going back to Granbury, Texas after several years of absence and we're in the planning stages right now. Karen Gilleland is our Chairperson for the 40th Round-Up. Karen needs your HELP to make this a "Memorable 40th Anniversary". It's easy to do, we just need volunteers!

See you on the Healey trail.

Thursday Evening

Well Folks it was one of those typical Texas Spring Weekends where the “W” word Ruled! Rain gear was the fashion attire at this years weekend event. The most popular shirt there was the RoundUp 39 T-Shirt. Of course you didn’t have to try and recall which RoundUp you last attended just look on someone’s shirt! The scenic route to Roundup may take longer but worth every mile. It was a beautiful drive whether you were in your Healey or car, there were fields after fields of Bluebonnets and Indian Paint Brushes!

Our Host of this year’s event was the South Texas AHC. The early birds who arrived Thursday afternoon had the opportunity to get settled in and start the weekend off right! On the recommendation of the South Texas folks they took us all to a delicious dinner at 600 Degrees Pizzeria & Draft House. It’s definitely one of those places the locals try to keep to themselves! The start of our “Happy Weekend” was compliments of Bob O’Neil. Again, *Thank You Bob!*

Friday

RoundUp was at the Holiday Inn Express, Georgetown right on I-35 easy to find and get too. The Hospitality Room (everything room for all gatherings, etc.) was right off of check-in area in the lobby which made it easy to find where everyone was. On Friday mid morning things started to come alive, Healey after Healey starting arriving. It's great to see the faces, of those Healey people you hadn't seen in years! Of course the "W" word was still the buzz. Not a drop yet!

Friday 5:00 o'clock was definitely "Hospitality" all the way. The decibel level of chitter and chatter of days gone by, Healey's running good or not, and of course talk of hips, knees, backs, hands, feet, and what drugs everyone takes to function daily! Yep, there was a blender and I'm now in possession of it. We will be serving margarita's at the 40th Anniversary of Texas Healey Roundup!

Friday evening was on your own for eats, a lot of people used an app to find the best place to eat and there were no disappointments! After everyone made their way back late evening for more social it was once again a nice evening. The "W" word was all around us and most importantly what was it going to do in the morning

Saturday Morning Car Show

Saturday morning was at Georgetown Square. I just love it when there is a car show around the old town square. Texas has some of the best town squares! The Popularity Show headed up by Jim Richmond and his yellow submarine crew went on as it always does. The show consisted of 17 Healey's that took the rain drops just fine. There were 3 classes - Roadsters, Convertibles and Sprites. The show started with rain off and on then it basically stayed wet. Most everyone had an umbrella or they were enjoying a cup of coffee with a good view.

North Texas Members, Bob and Stella Gilleland won 1st Place "Roadsters" and Pat and Janet Yoas won 2nd Place "Convertibles". Their award was a etched Craft Beer Mug. Just as everyone had gotten back to Roundup

Let's Rallye!

The Hospitality room was serving it's purpose! Everyone mingled and it gave them more chances to catch up with folks they missed on Friday evening. Then back out for lunch, most everyone went to the restaurants near by. Later it was the "W" word again! The TV was on and you could see the disappointment. No Rallye, nope, not with what the weather people were saying about the rain, possible flash flooding, etc. the weather was not looking good. The Hill Country jaunt that we so love to do in the Healey definitely was not going to happen.

Then the Rallye Masters, Bonnie and Julie announced, we are doing something different this year! Lucky there was a plan B a VIRTUAL RALLYE! Yep, who would have ever thought up such a thing! Anyways the Virtual Rallye got underway with whoever you wanted to partner up with and all electronic devises were eligible to be used. Well I tell you what, its not as easy as it seems for a bunch of people who are tech savvy! This was a first for a Roundup. The Rallye involved a crossword puzzle. My partner was Janet Yoas and she was good at the questions and puzzle. Well, we tried and tried the paper with the crossword puzzle got very messy looking and we got more frustrated. What I noticed is that it doesn't matter if you are in a car or not arguing about directions between the navigator and driver still happen, even without the car! Janet and I gave up and didn't finish the Rallye. We had a nice ending to this VIRTUAL RALLYE, no tow wreckers or roadside tech sessions were needed!

Hard at work doing the Virtual Rallye
Bob Gilleland, Stella Gilleland, Barbie Bucy, Janet Yoas

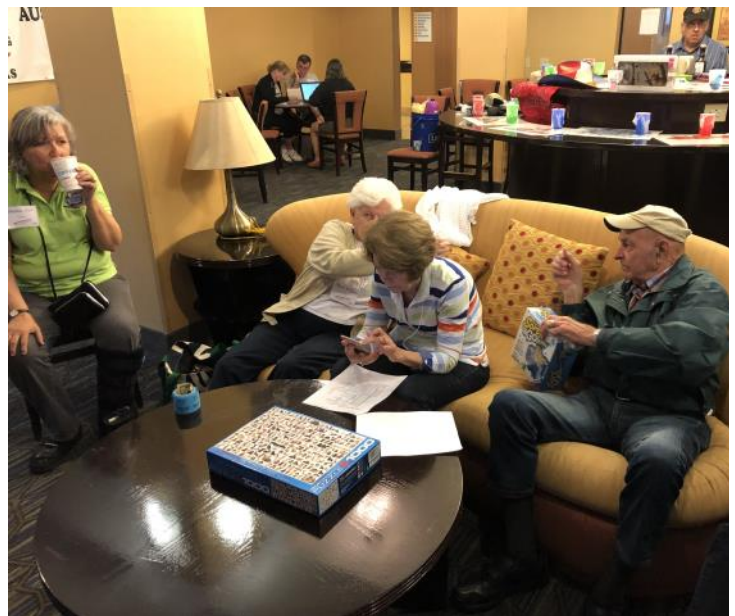

The winners from North Texas, 2nd Place - Hilary and Ed Cooper-Reiss which I saw them virtually driving every square mile of the Rallye. Coming in for the finish 6th Place - Bob and Stella Gilleland which by the way those two did not use any electronics what so ever, they used their brains!

Rallye....continued

Hart at work doing the Virtual Rallye
Hilary Cooper, Ed Reiss, Karen Hayward, Doug Hayward

Ok, Rallye done now back to social at Hospitality, again lots of beverages and snacks to hold you over til dinner. This years Roundup was definitely about the social aspect of Roundup that most of us don't get to really do a lot of because it seems like we are rushing here or there and no time to visit. Can't say that about Texas Healey Roundup 39!

Saturday Night Dinner

Saturday Night Dinner was down the street at George's on the Town. Nice place, we were all seated off in an area that worked for our group. The buffet was delicious with the Texas favorites grilled chicken or chicken fried steak, mashed potatoes and green beans. The dessert was an Oreo cheese cake square and it was to die for! We had two Birthdays to celebrate at this event Don Klien's 70th (maybe) and Don Bucy's 40th (maybe). They were serenaded with the B-Day song. The Popularity and Rallye awards were given out as well as the Long Distance Award that went to Pat and Bob Brown, they drove from Mid-Ohio, each in their own Healey.

After Dinner, back in hospitality there was a Cornish Auction that everyone was hovering around to make sure they were going to get the cool auction items that had been donated by the clubs. North Texas donated two big wash buckets with loads of goodies to get your car clean to win next years popularity show! Oh, did I mention there were more desserts! Yep, little individual ones that you could pick from. They were all good! After a night cap or two it was off to watch the weather on TV.

Gymkhana was suppose to happen first thing Sunday morning. Don was already prepared for wet pavement. Well the "W" word ruled again! David Ayer and Brett Miller said the winners were based on those that drove a Healey to Roundup dodging traffic. Of course, 1st Place rightfully earned went to Pat and Bob Brown. 2nd Place - Hilary and Ed Cooper-Reiss. Bret and Susan Blades won 3rd Place.

The weather still hadn't changed any all weekend, it was to some just wet and others soggy, miserable old rain. It was approaching check out time and everyone started mingling again down in the lobby and what once was hospitality room now taken over by young fit runners rained out for their big race. So the hugs and air kisses ritual started with promises to see each other some where down the road til next year.

ANNOUNCING:

North Texas is the Host Club for the 40th Anniversary of Texas Healey Roundup in Granbury, Texas April 16th - 19th, 2020.

ACTIVITIES

Hilary Cooper

RoundUp was a social event this year.

The drive down to Georgetown on Friday was clear and cool. The flowers were out in force and the back roads were a joy. We even found a new one by accident.

On Saturday, everyone found interesting places for lunch around the square while people oh'ed and ah'ed over the cars for popularity. But watching the weather was a major pastime as the clouds threatened and spit.

At the scheduled Rallye time, the Rallye masters were out on the route helping a stranded motorist, so we had time for some more gab. Then the news that the weather report was too bad for the Rallye to be driven, but they had a plan. The teams could 'drive' the route on Google maps as an alternative. Fierce competition arose and lots of laughter as we got 'lost. (First time we've run a Rallye while sipping a glass of wine.)

There was a moment of confusion when it was discovered that the Rallye instructions were missing the second page. I can just picture a head scratching convention on the side of the road. The page was found and supplied and we were off again.

This was a great decision by the organizers as there were low water crossings on the Rallye route. Also later it was discovered that a category 1 tornado had crossed through San Gabriel Saturday afternoon. This small town was actually on the Rallye route. Scary stuff.

The banquet consisted of several long tables, so there was another opportunity to meet and greet. The trophies are etched beer glasses, a different style glass for each of the events. The Atkins' had way too much fun deciding which styles to buy.

Hospitality Saturday night included some wonderful desserts and more laughter about the weather.

On Saturday rain continued into Sunday morning, so it was decided to forgo the gymkhana. Disappointing, but quite understandable with standing water on the pavement. We have raced slipping and sliding, but it is not anyone's favorite.

The trophies for the gymkhana were awarded to the attendees who drove their cars to the event. These trophies are etched glass in the shape of a beer can. In the spirit of competitiveness, a toast will be raised to the weather gods for creating a memorable event with lots of social time.

Ed and I decided that an open car was not the best drive in the rain and stayed until Monday and fair weather. Everything was bright and shiny and very green on the way home. Ah, the freedom of retirement.

Cheers,
Hilary Cooper

Breaking News!!!

New Conclave Dates are Sept. 6-11; Hotels Offering Same Rates B4 Conclave

To secure room nights before Conclave 2019 it now will begin Friday, Sept. 6 and end Wednesday morning, Sept. 11.

The Minnesota Austin-Healey Club is excited and looking forward to hosting Conclave!

Conclave 2019 will begin one day sooner for two reasons:

- Misunderstanding between organizers and hotels;
- Early enthusiasm for Conclave 2019 has been tremendous so **all available rooms set aside after Conclave already have been booked!**

To meet anticipated demand for additional hotel room dates, the Minnesota Club has negotiated Conclave 2019 discounted rates that begin the night of September 4 and are effective through the night of September 10. As a result of those negotiations:

- Anyone who already has booked reservations after those dates and wants to keep them will have those reservations honored by the hotels; and you may add earlier nights – September 4, 5 or 6 – at the same daily rate.
- OR, if you already have hotel reservations for September 7-11 you may change your reservation block to September 6-10; and add September 4 and 5 to your stay at the same room rate.
- **YOU MUST REGISTER FIRST for Conclave 2019** to get the password and your individual five-digit code necessary to reserve rooms at the hotels.

Because of reservation system limitations, the Holiday Inn Express cannot take reservations until October 2, 2018. The other two hotels are taking reservations now.

We apologize for any inconvenience this may cause

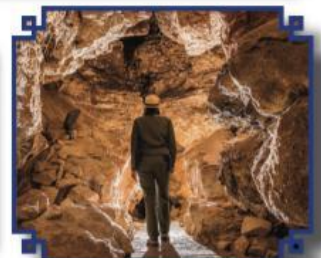

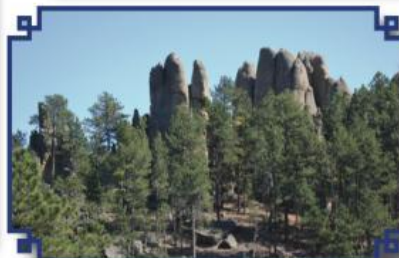

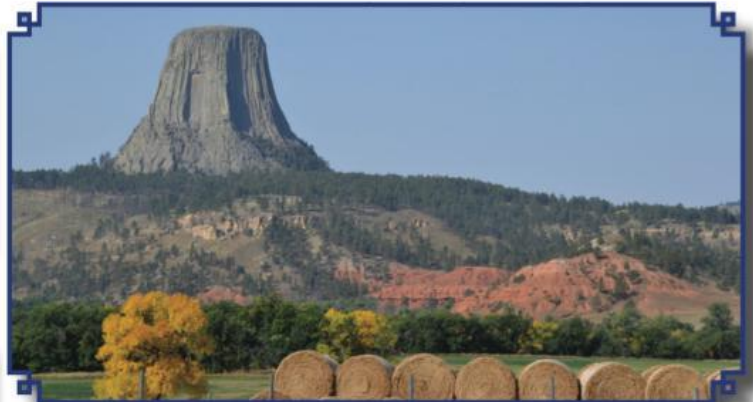

We look forward to seeing you in Deadwood!

CONCLAVE 2019

CRAZY HORSE MONUMENT is funded by admission fees and donations. Government funding has been rejected by tribal leaders since Korczak Ziolkowski and his family began sculpting it in 1948. When completed, Mount Rushmore would fit under the armpit of the Lakota chief. The goal of Sioux tribal leaders is to create a lasting monument that helps protect and preserve the culture, tradition and living heritage of North American Indians. Crazy Horse was selected because he famously remarked of the Black Hills area, "My lands are where my dead lie buried." In the future the memorial will fund a college that prepares young Native Americans for careers that benefit their tribes' cultures, education and well-being. The memorial is 20 minutes south of Mount Rushmore off US 385 north of Custer, SD.

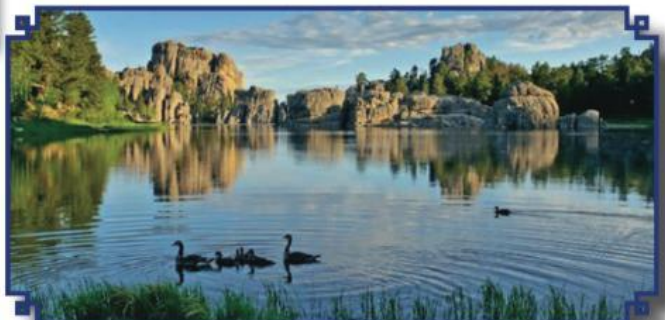

MOUNT RUSHMORE MEMORIAL was created by Congress in 1925, with sculpting by Gutzon Borglum and his team between 1927 and 1941. It is about 45 minutes south of Deadwood via US 385 and South Dakota 244.

BADLANDS NATIONAL PARK

protects 244,000 acres of sharply eroded buttes, pinnacles and spires blended with the largest undisturbed mixed grass prairie in the nation. Its striking geologic deposits contain one of the world's richest fossil beds. Ancient mammals such as rhinos, horses, and saber-toothed cats once roamed here. The park's expanse of mixed-grass prairie is home to bison, bighorn sheep, prairie dogs and black-footed ferrets today. It is 100 miles southeast of Deadwood off I-90.

CUSTER STATE PARK surrounding Mount Rushmore and Crazy Horse memorials is home to nearly 1,300 bison roaming its prairies and hills, which they share with pronghorn, big horn sheep, elk and curious burros. It also includes Needles Highway, Iron Mountain Road, Wildlife Loop Road and Mount Coolidge Lookout that collectively are part of the Peter Norbeck Scenic Byway, which has been named as one of Ten Most Outstanding Byways in America. It also boasts Sylvan Lake and four others. Custer State Game Lodge, Blue Bell Lodge and Sylvan Lake Lodge offer rustic and scenic luncheon and dinner venues.

CONCLAVE 2019

WIND CAVE NATIONAL PARK is named for the wind that blows from the cave's natural entrance, and also contains one of the last untouched expanses of American prairie. The cave has more than 140 miles of labyrinth-like tunnels, and contains the most boxwork (honeycomb-shaped) calcite formations of any known cave. It currently is ranked as the fifth-

largest cave in the world. When it was established in 1903 by President Theodore Roosevelt, the area became the first national park in the world protecting a cave. The park is 11 miles north of Hot Springs, SD, off US 385.

MAMMOTH SITE OF HOT SPRINGS is the largest discovery of Columbian mammoths in North America. It is enclosed and protected by a climate-controlled building where the sinkhole and bones are displayed as they were found. Walkways allow visitors close-up views of the fossils. So far 61 - three woolly mammoths and 58 Colombian mammoths - have been identified, along with remains of a giant short-faced bear, camel, llama, prairie dog, wolf, fish and numerous other plant and invertebrate fossils. The site is south of Custer State Park and Wind Cave National Park off US 385/18.

DEVILS TOWER was declared the first U.S. national monument in 1906 by President Theodore Roosevelt. It includes 1,347 acres in northeast Wyoming, a scenic 90-minute drive from Deadwood along Spearfish Canyon Scenic Byway, through Belle Fourche, SD, and Aladdin, WY. The Devils Tower volcanic uplift rises dramatically 867 feet from base to summit. It was named in 1875 when an Army expedition's interpreter reportedly misunderstood a native name to mean "Bad God's Tower". Native Americans actually called it the "Bear's House" or "Bear's Lodge". See all of these wonderful sites and more for yourself.
