THE QUILT TO DIE FOR!

The Quilt is absolutely to Die for ! Well I really wouldn't want anyone to be the winner of it like that. The picture on the front page of this month's newsletter does not even begin to show the beauty of the Queen Size Raffle Quilt.

Judy Kellner's inspiration for the start of the quilt was how it all started. "The Healey Stuff" that she and her husband, Chris still love to do 40 years later. Way back when, Chris talked her into taking a weekend drive in the Healey to meet up with other Healey folks from around Texas. They all met in Kerrville that first weekend of April 1981 to enjoy the beautiful backroads of the hill country in their Healey. Along with Texas Healey folks that are now some of their life long friends of 40 years! Having an Austin Healey will do that to some people! This weekend get together of Healey Folks from South Texas Healey Club, Gulf Coast Healey Club and North Texas Austin Healey Club has been and will always be known as the "Texas Healey RoundUp".

You have to see the quilt in person. Judy is a quilter! As we know, when you have a passion about something it shows through your work. Well for this quilt it speaks volumes! Not just Judy, but whoever is the lucky winner of this raffle quilt. It's one of a kind, you will see that.

Along with a lot of sentimental pieces, as well as a to "die for" (there I go again!) Austin Healey fabric that is a print of old sales brochures from way back. The patches and parts of shirts from many years of the Texas Healey RoundUps are included as well. Ticket Sales for the Quilt will be at the "40th Anniversary Celebration" of Texas Healey RoundUp. The Quilt drawing will be at the Sunday Brunch, you must be present to win!

All I can say is " I will be happy to be wrapped up in this quilt."

Tickets will be \$20.00 each ~ OR ~ 3 tickets for \$50.00

Greetings,

It's only a **FEW weeks from the start of [Roundup 40](#)** and be sure to make your Hotel reservations and Registrations NOW because we are all out of tents this year! Seriously folks, do not procrastinate on getting ready for Roundup. It's a short drive but make sure your Healey has been checked over for the trip there. We are still needing volunteers to help. Please contact Barbie Bucy at 817-480-4831 if you would like to help or volunteer.

**Please see HOTEL INFORMATION on Page 4!
(This is very important!)**

We had a Roundup Meeting last Saturday and I'm glad to say everything is coming very nicely and with a lot of enthusiasm! Those of you that have been suffering from "Roundup withdraw" are going to be taken good care of, finally! Check the Activities/Events page for more Healey shows you can go to this year.

Driving your Healey to Roundup? [Email me for a List of Spare Parts you may want to take with your and/or a Checklist for checking over your Healey before making the trip.](#) pyoas@yahoo.com

We had a great turnout at the last Tech Session and people walked away with some great used parts they wanted or needed or some goodies to add to their pile. I have posted photos of the huge pile of parts Dick Solomon had put out for purchase. Maybe we can do it again and finish clearing out the pile of parts? Stay tuned!

Looking for the GOLD in Solomon's Gold Mine

Plenty of used parts to choose from!

CONCLAVE 2021

Our club had five people who were able to go to Conclave this year at Big Bear Lake, CA. Bob & Kris O'Neil's Healey took Third Place for BN1/BN2 Car Show. Well Done!

Ed Reiss, Hilary Cooper, Kris & Bob O'Neil, Brian O'Neil

Get your Healey ready for Roundup. It still might be hot next month. In addition to checking my Healey mechanical stuff, etc. I'm installing a KOOLMAT Insulation kit I purchased to keep out the heat! At the recommendation of several Healey people and a Restoration shop that installs KOOLMAT in all their Healeys I decided to splurge and do it.

I hope to see everyone at Roundup!
Cheers,
Patrick Yoas

IT's called "Blinker Fluid" and it works!

The directions on the container of Blinker Fluid were easy to follow. Said to pour directly onto the turn signal housing of vehicle as needed, says treats up to 12 months! There you go people, those of you who are sick and tired of the people who don't know what a blinker is! So let's give all those people the benefit of the doubt that their blinker needs some fluid. I want to give a shout out to "KC's Automotive Express Lube in Burleson, Texas" www.kcsautolube.com for being so bold as to carry such a product that is needed so badly now a days! I am not joking, seriously.

It's been nice to meet some of the North Texas AHC New Members. I have talked to a few of you via phone and lots of emails as well and it is always good to put a face to name.

"Welcome to North Texas AHC"

It doesn't matter to us what type of Healey you have or whether it's all packed in boxes or pieces all thru out your house, what matters to us (NTAHC), is the love for Austin Healeys and the preservation of keeping them running for another 50 years!

2021 ACTIVITIES CALENDAR

TEXAS STATE FAIR CAR SHOW October 1, 2021

Hello Healey Club Members,

I am Eric Olson and my wife Debbie and I just joined the North Texas Healey Club. We attended the Roundup 40 Meeting and we are looking forward to making our first Roundup and meeting Everyone!

I have been working on an event at the State Fair of Texas. I am also a member of the TX MG Register. I registered the TMGR for this event, but they said we had to have at least 20 cars and only one club entry. Last time I did this we only had like 10 cars for the TMGR, so I am inviting the Healey Club and the Triumph Club as well. I will give you more details as I get them.

Our show date will be Friday, 1 October. This will be an all day event and participants are expected to stay the entire day. As far as I know there will be no cost to attend or park. (At least it was that way last time). You can drive your car or trailer your car. They have a huge lot to park trucks and trailers.

More information to follow as soon as I receive it. Please email me if you are interested in participating ASAP!

Thank you,
Eric & Debbie Olson
