Welcome To The *"40th Anniversary Celebration"*

"Texas Healey RoundUp" Weekend! Who would have thought that over 40 years ago a small group of Healey enthusiast would reach out to each other and come up with the "Texas Healey RoundUp". Here we are 40 years later, celebrating an event that not only is a Texas event, but an event known throughout the U.S. and beyond. We would like to extend a huge "Thanks" to those who were among the original planning committee and for bringing us here together this weekend. Some are no longer with us, but their spirit will always be apart of RoundUp.

Hello Everyone,

It's another beautiful fall kind of day in Texas! Perfect for getting some fresh air! As in, dusting off the cobwebs the old fashion way, with the top down cruising to Sonic for a shake, running errands or taking a drive thru the backroads. ENJOY IT!

It has been awhile since I have contributed to the NTAHC Newsletter. After Texas Healey RoundUp I was extremely busy on another project then busy with Family. It's been hard to get back in the swing of things. I am Back now and I have some things to tell everyone.

First, your 2022 AHCA / NTAHC Membership Dues Renewal needs to be sent to me please. Make your CHECK PAYABLE to: North Texas AHC.

Second, Please make sure I have your correct address and phone numbers to reach you at. Also VERY IMPORTANT- NEED A GOOD EMAIL ADDRESS!

Third, We will have an exciting update on this NEW AHCA Membership system, once it's up and ready for you to use. If everything works perfect, it will be ready for you at the beginning of January 2022.

I will let you know when it all happens. I am very excited for this to come about, I have been one of the Local Club Membership person along with NTAHC Club President, Pat Yoas to get something like

this going for years now, and it's finally happening!

I want to convey my humble "Thank You" to all the volunteers who helped with Texas Healey RoundUp "40th Anniversary Celebration". Without your help, RoundUp would not have happened!

I know we had a great turn out from the North Texas AHCA Members. Along with a few first time attendees and long ago members Scott and Wanda Aurandt! There was also our friends from the South Texas AHC and Gulf Coast AHC that joined us in celebrating the 40th Texas Healey RoundUp.

I feel this event came at the right time, it's what everyone needed! In person hugs and giggles and laughter and maybe a cry or two. I know when I left the event I could not talk anymore, yep I was finally without words! I hope I played a tiny part in bringing old friends together again as well as making some introductions for new friends! I know I made some new friends, and hugged a bunch of old friends!

Texas Healey RoundUp 40 - "Anne Johnson Memorial Rally"

It was unanimous the moment it was mentioned by the North Texas AHC, that Mike Johnson, member of the Gulf Coast Healey Club be the "Honorary Rally Master" of the 40th Texas Healey RoundUp. Bob O'Neil and his wife Kris, along with their son Brian O'Neil were the Chairpersons for this years event.

Bob O'Neil was honored to present his longtime friend Mike with this "Special Award" in honor of his dear wife Anne. The "Anne Johnson Memorial Rally" Award was presented to Mike Johnson for his and Anne's many years of involvement with the planning of Texas Healey RoundUp Rallies. Mike and Anne were known as the "Rally Masters". There wasn't a dry eye in the room when this "Special Award" was presented!

Mike's navigator for the rally this year was Stephanie Colston, North Texas AHC. It was Stephanie's first time participating in a rally in years so to say the least she was nervous, especially being the "Rally Master's Navigator"! A few of us gave her words of encouragement before she set out on the rally.

Continued on next page

The rally had no end destination in particular, and there wasn't a lot of pressure to be figuring things out, like counting! But, missing a turn due to a misspelled sign is ok, everyone followed the same sign! The drive gave the driver and navigator time to reflect on rallies from the past 40 years (and there have been some doozies!), there were also some beautiful moments, memories shared of Anne. Stephanie said the rally weather was perfect just like Anne had ordered!

This car received the most votes by people, including children, who came out to see the beautiful collection of Austin Healeys from around Texas and as far away as Nebraska & Ohio. The ***Texas Healey RoundUp 40 Car Show was held at the Hood County Courthouse Square in the heart of Downtown Granbury on Saturday Morning September 18, 2021.***

The ***visitgranbury.com*** table is where I was stationed to help in assisting with handing out ballots and getting people to drop their ballot in the box for their favorite car!

I was surprised at how many people would start to pass by not wanting to vote then I encouraged them that their VOTE COUNTED! Yep, nearly everyone had that one car they saw and really liked after all! There were some families not every child agreed with the other sibling as to which was their favorite!

The ***visitgranbury.com*** table brought in 96 votes. Wow, that's a lot of people in just 2 hours! It was fun, and I did enjoyed myself! ~ *Barbie Bucy*~

For Texas Healey RoundUp fans, the “40th Anniversary Celebration” was along time coming! If it hadn't been for the COVID-19 Pandemic that started in 2020, just several weeks before this big event, then the snowball effect that occurred from that just continued til North Texas AHC was able to finally host the long awaited event! The date didn't end up being perfect for everyone's calendar, but until you are on the side of planning and working thru logistics, it was the best date going forward with what we had to work with. Chairperson Karen Gilleland was determined that the Texas Healey RoundUp “40th Anniversary Celebration” was going to happen one way or another in 2021!

September in Texas is fall like weather, somewhat! The mornings were perfect going into fall, crisp and blue skies! Then by afternoon the usual warmth came on, and as evenings rolled around the day cooled off nicely.

We had about 15 couples come in on Thursday (they are known as the early birds) as they usually do to enjoy what Granbury has to offer in the way dining and shopping. Granbury has this charm about its city that has a way of making you feel comfortable, that you can't help but stay awhile and relax!

Friday late afternoon rolled around when RoundUp opens with registration and the event begins, officially! My goodness Texas Healey RoundUp 40 attendees were ready! The first 15 paid registrations received a special “40th Anniversary” bottle of wine that was complimentary of Shield Awards, Karen Gilleland's Company. She and a few other NTAHC membership got together earlier in the year and did a wine tasting and the result is that bottle of wine. Karen wanted to remind those who received a bottle, that they need to drink it soon!

The “Afternoon Tea” was in honor of NTAHC past member, Sue Solomon got underway with Stephanie Colston (Sue's daughter) and

Continued on the next page...

Stella Gilleland taking care of the tea sippers who came to get a cuppa also had the pleasure of enjoying the most delicious treat ever! Debbie Olson, NTAHC member who is a baker and had a bake shop while living in England for a few years made from scratch the mouth watering scones that were to die for! She made close to 100 scones and not surprising that there were hardly any left when afternoon tea was over.

Friday evening was a complimentary “Fiesta Buffet” sponsored by North Texas AHC. Delicious doesn’t begin to describe how good everything was on the buffet. NTAHC’s “Ladies in the Red Apron” out did themselves! Those meatballs didn’t last once the word got out, yummy. The Ladies were awesome, keeping the food hot and dealing with the hungry crowd, they fed about 78 people! Wow, no wonder the dishes were still piled a mile high in my room! That was my part, KP. Thanks go out to Susan Blades, Stephanie Colston, Karen Gilleland, Judy Kellner, Debbie Olson, Janet Yoas!

Over in the Hospitality room, it was already underway the famous “MargaritaVille”. This was sponsored by Hendrix Wire Wheel. Allen Hendrix had planned on actually driving his Healey from Carolina with some crazy Canadian guy! Unfortunately his plans were not able to happen due to a unforeseen schedule change. Bret Blades took care of “MargaritaVille” fans! I heard no complaints. His Company “Blades Design” was the beer sponsor for those who needed a nice cold one, and they were cold!

While all was happening inside, David Freed was running around outside with Don Bucy doing gymkhana inspections. Don was checking the car wash set up and helping everyone who showed up with trailers. Ed Reiss was one of our official go for this and go for that. The check-in area along with the hotel lobby lounge area was packed and so was MargaritaVille. It has been a real long time since RoundUp has had this many folks together. My last count was at 78 people in attendance. I saw so many happy, hugging, crying people. Yikes, my head was spinning when I laid my head down on the pillow at the end of night, I couldn’t even move let alone say a word. I was all talked out! COVID-19 sure brought a lot of people together, who would have ever thought a pandemic could do such a thing.

Continued on the next page...

The Saturday morning Car Show was perfect, blue skies and just the right temp! The Car Show had one of the best displays of Austin Healeys from all over Texas, along with a few from out of State. I don't think we have seen a turnout of beautiful cars in years at Texas Healey RoundUp. Especially Bob & Kris O'Neil's beautiful restored 100 that Bob just got on the road and was still breaking in the engine. Chris Kellner brought "Annie" to the show, she got the kids attention! Rick and Terry Doig (GC) got their British Bugeye back on the road in time for RoundUp. The Podmers just purchased their Healey from another NTAHC member the week before RoundUp, we were glad they could come! Chuck Anderson (jr) and wife Dana came down from Norman, Ok.

Afterwards, a lot of people were busy shopping or enjoying a lunch with a cool beverage on Granbury's Square, so what did it matter weather wise, none. The Texas blue skies continued to stay perfect! For those that went on the Rally, like Stephanie Colston (she was under a lot of pressure mind you!) she was Mike Johnson's Navigator! According to Mike, she did good.

Saturday Evening dinner was a prime rib buffet with a generous slice or two of prime rib with the fixings. Plenty of delicious food and Chairperson Karen Gilleland to all the "40th Attendees present and to those who weren't able to be there but were in our thoughts. The red and white wine on the table was chosen and sponsored by NTAHC members Karin and Greg Milner.

Did I mention the weather? Well for Sunday's Gymkhana it was once again perfect! Everyone who came out and participated had their cars running good and they all had good times. For those who woke up late and lounged around the Hotel lobby til Brunch, even better.

Sunday Farewell Brunch was again delicious with lots of food. A fact about the weather that weekend was we weren't glued to our phones or TV for current weather conditions.

OH Yes, ALMOST FORGOT! The winner of the to die for quilt was won by Glenn Graham (GC). WOW! Judy Kellner not only made a beautiful quilt, she also made pillow cases, which I won a set of. Along with several other items so that raffle ticket was an awesome chance!
