CHRISTMAS PARTY 2022

Hello All,

My apologies for getting the post Christmas Party newsletter out so late. No excuse!

We would like to thank Ed & Lisa for hosting the party at their beautiful Clipper Circle automotive/party facility. A really fantastic place to hold a car club event! Your club provided the main dish food with many club members providing side dishes and desserts. The food and fixings were delicious! I tried to get everyone's picture for the newsletter and I apologize if I didn't get yours.

Cheers,
Patrick

TECH SESSIONS

Our upcoming Tech Session will be held at the Canada's Clipper Circle facility the second Saturday of March. Mark your calendars as this is the last one before Roundup 41 in Brenham, Texas. Taking your Healey? Be sure to check out the "Roadside Parts & Supplies List" on page 7. For a better copy, be sure to email me.

TRAVELING TO THE BRENHAM ROUNDUP

It's been a long time since we did a caravan to the Roundup and those who remember them say were a lot of fun to do. We would like to know if there is interest in doing this to the Brenham Roundup? Let me know ASAP! We used to meet at a Restaurant south of Dallas & Ft Worth and for a bite to eat, fuel up, and then continue towards the Roundup destination. It's a fun and enjoyable way to enjoy your Healey with other Healey folks. People loved seeing the Austin Healey caravans!!

Roadside Spare Parts and Supplies List

This is a list of the spare parts, tools and supplies that we recommend you carry in the trunk of your car. Be sure all the spare parts that you carry are the correct ones for your car. There also is different quality of some of these parts, so to be safe be sure what you carry is right. So, you don't end up on the side of the road with a faulty rotor and a faulty rotor in your spare parts. All cars are a little different so be sure that the spare parts that you carry are correct for your model car. To store your spare parts, you can take the bottom 5" of a 5-gallon bucket to store the parts in and it will fit inside your spare wheel.

Parts

Engine

- Oil flex line
- Fan belt
- Valve Cover Gasket
- Clutch flex hose
- 2 quarts Engine oil
- Rubber expandable core plugs

- Service Manual for your car
- Car Club Membership lists
- AAA Platinum Membership Card w/towing
- Cell Phone with Charger or battery backup
- Our Tech Talk by Norman Nock

MUSINGS FROM THE PADDOCK

Chris Kellner

CVAR's 2022 race season has begun. Our first event was held at COTA just 2 weeks back. Due to the expense of renting a world class F1 track we shared track time with the group known as "Edge Addicts". These folks are known for racing very fast, very expensive, modern sports racing cars. Man are they something to see on track- extreme performance....much different than our "vintage" iron. CVAR had a very good turn out and the racing was competitive. In fact, on Saturday afternoon, due to cold rainy weather, several sessions were run in the wet, actually freezing rain and some snow.

Several drivers, especially those in open wheel cars, found the drive to be, I think the word most often used "Challenging" due to icing on their closed face helmets. Because I was recovering from a bad case of Covid I didn't race, my energy levels were simply too low. I did however drive down on the Friday with a truck load of trophies, thanks to Karen, Barbie, and their crew at Shield Awards, for the winners of the classes for 2021.

These awards were presented at the Saturday evening drivers gathering. Thanks Karen and team, everybody was extremely pleased with this year's "Steering Wheel" awards. Our next race of the 2022 season will be held at Hallett Motor Racing Circuit just west of Tulsa on the Cimarron, my personal favorite track, on the CVAR circuit.

Chris Kellner and "Annie"

Editors Note: When I asked Chris about the award, he told me that "Annie" did all the work and he was just steering. In my opinion, "Annie" is one hell of a well engineered Healey and makes a great presentation wherever she's at, but it goes without saying that Chris did one hell of a job taking her to victory!

Continued on next page

.....AND, the Devin is progressing very well. I'm at the stage where details really consume time. Many thanks to Bret Blades and Tom Taff for their patience and assistance. I've included a couple of photos showing some of the details.

First, The dash board with the instruments installed. Bret set up his milling machine to get the holes sized correctly and in the right places. I'm always amazed at Bret's skills with machine tools. Like father, like son.....

The second photo shows some of the details involved with satisfying the rules and regulations of the various vintage racing organizations around the USA. This one shows the seat belt harness set up for the shoulder part of the system. Given all of the equipment involved in this racer I'm actually running out of room for things

needed and I still haven't set up the Accusump (engine oiling and anti-surge) equipment.

While at COTA, our Tech folks issued the Devin its official log book, classification (CM Sports Racer), and its permanent number 23. It's all very exciting especially since in vintage circles the Devin is a special machine and I'm pleased to be her current caretaker.....I need to get back to work, where did I put that sparkplug wrench??

Chris Kellner

HILTON HEAD ISLAND
CONCOURS d'ELEGANCE
& MOTORING FESTIVAL

This year's Southeastern Classic (XXXV), will be special for several reasons:

- Improving Environment - expecting a good turnout as we move into a post-COVID world;
- Location-one of the most popular coastal destinations on the East Coast;
- Adjacent Events - the same weekend as the Hilton Head Island Concours d' Elegance and Motoring Festival!

Registration will start late afternoon Thursday at the Holiday Inn Express check-in location; Hospitality will be nearby!

Friday will include a number of activities and events to be disclosed at a later date

Our traditional Saturday SEC Car Show will be on the 17th hole of the Port Royal Golf Club, adjacent to the Hilton Head Island Concours d' Elegance, being hosted by the same Port Royal Golf Club.

In addition to our own fine Healey family of cars we will be in the company of some very fine, classic automobiles. We think you will really like it!
