Texas Healey Roundup

A big Thanks to everyone who participated an the 41st Texas Healey Roundup! It was another great Roundup with excellent attendance and a lot of great looking Healey's! I can remember the very early Roundups with very few outstanding Healey's, several "rolling restorations" and those "diamonds in the rough" showing hopeful promises. We can all agree that over the years the Healeys have gotten a heck of a lot better making choosing your favorites even harder and, IMO, they should all get awards. Maybe next Roundup I'll bring some my grandkids participation trophies to pass out?

Membership

I am pleased to announce Barbie Troyer has volunteered for Membership to help Barbie Bucy with Membership duties and help out with our clubs new software and improve our new members recruiting. Barbie Troyer will be aka as "Barbie #2 with Barbie Bucy being aka "Barbie #1". Please see Barbie #2's introduction under Membership page. Barbie #1 will have more time to focus on the clubs finances and other club functions.

Tech Sessions

I am pleased we are able to resume our monthly Tech Sessions again so add the "second Saturday" to your calendars as a reminder. We hope to see you there, but you can also call Tech Director Dick Solomon with your tech questions and you can also let Bret Blades know if your having Healey issues and want to bring your Healey to the Tech Session. Please see page 6 for information for access to all Tech Articles that have been diligently scanned from the Healey Marque magazines. This is available to all "Austin Healey Club of America" members only. If you've been thinking about joining our National Club, now is a good time to do so!

Activities

We would like suggestions for Activities for the upcoming months and if there's something you would like to suggest please contact any club member or our club officers or committee members. Hill country or other areas drives? Restaurant's? Car Shows? Who's going to other Healey events around the country? Let us know, maybe others will join you in the trip? Maybe a overnight or two trip, your thoughts please?

See y'all on the Trail.

Cheers,
Patrick Yoas

Barbie Bucy

"Hi,

I'm Barbie Troyer (aka Barbie #2). I will be assisting Barbie Bucy with club membership. My husband Bill and I purchased our 1967 BJ8 in June of last year. Bill and I are currently replacing the transmission with a 5-speed Tremec T-5 and fitting a new hardtop.

Hopefully, the three of us will see you all at the next conclave. We also have a 1951 MGTD. We love our LBCs!"

New Healey Marque Magazine Tech Article Search Feature

Our nation club (AHCA) just released a new search feature on the AHCA website of our 2020 and prior Healey Marque Magazines as far back to the early 1980's. We have our long-term member, Carl Brown (Carolinas Club President 1992 & 1998 as well many other club positions over the years) to thank for this new feature. Carl has been working on scanning, indexing, linking and cross linking topics and authors from current and historical club magazines for a long time. The new feature allows us to search various topics or authors. You can enter such topics like Points, Timing, Fuel Sending Unit, Shocks, Oil Pressure, etc. and find multiple articles by authors the likes of Rich Chrysler, Norman Nock, Roger Moment, Tom Kovacs and Bill Young. All of their great articles and more can now be at your fingertips in a matter of seconds. You can even do a search on "Beer" and find an article (August 2018, Page 12).

You should give it a test drive. Simply login to the AHCA website (<http://healeyclub.org>), click on either "Healey Resources" or the "Members" tab then go to the "Historical Magazine Index".
